

"your Pure Power People"

## Refer customers to Diamond Energy your solar friendly electricity retailer

Experience our "Solar Express Service"

- **YOUR** personal Solar Express Service contact person.
- **EXPRESS** processing of documentation to reduce your customer call back.
- **\$35 credit\*** to your electricity account for every customer that successfully transfers to us.

**You can keep referring and we'll keep rewarding you and looking after your customers.**

### Diamond Energy

Your customers get access to local assistance and the right advice

Servicing solar customers is a big part of our business

Special offers for solar customers

Service your customers for maximum efficiency and satisfaction

### Other Electricity Retailers

Your customers can get lost in overseas call centres with reduced solar knowledge

Servicing solar customers are small part of their business

Mass market offerings, hidden charges / with lost discounts for solar customers

They could be competing with you to sell solar systems

### What you need to do

1. Become a customer of Diamond Energy.
2. Ask your customers to sign up online, including 'Referral' and your name in the promotional field.

Highly ranked in Greenpeace  
Green Electricity Guide 2014

Together we can ensure your customers have a rewarding solar experience that outshines the major electricity retailers
