*\*Market Contracts only*

Notes:

- <sup>1</sup> The services performed and charges applied for new Solar PV installations vary by Distributor and the specific metering arrangement at a site. The charges above represent the most common and can vary.
- <sup>2</sup> Disconnection/Reconnection fee applies when where 3 business days' notice of the desired reconnection or disconnection date is given and where it is performed during normal business hours. Different charges apply where this is not the case.
- <sup>3</sup> We may pass through all or part of any new or varied fee, charge or tax introduced by a government, regulator, or Distributor. Our reasonable costs for arranging and managing such services may be included in addition to the above charges in instances.
