8. You acknowledge and understand that from the Commencement Date (which is the date you start participating in the VB Solar Exchange) until the earlier of the cancellation of your election to participate in the VB Solar Exchange or the end of the VB Solar Exchange (being 31 December 2023), you: (i) will not have any right to receive from us any payment, credit or other benefit in respect of the Feed-in Credits (but will receive the benefit of the VB Solar Exchange directly from the Referral Agent (CUB)); and (ii) authorise us to release the Data to the Referral Agent or their Nominated Party, and consent to the Referral Agent and their Nominated Party using your Data to deliver the VB Solar Exchange program, including analysing the Data, and that CUB may use your Data to deliver marketing messages to You. You acknowledge that this authorization is irrevocable while you are participating in the VB Solar Exchange and therefore you will not request or instruct us to cease providing the Feed-in Credits to the Referral Agent or their Nominated Party, except where Referral Agent informs us in writing that this is no longer required. You may opt out of receiving marketing messages from CUB at any time.
9. From the Commencement Date until the earlier of the cancellation of your election to participate in the VB Solar Exchange or the end of the VB Solar Exchange, and as the electricity retailer for the Supply Address, you authorise us to pay and transfer all Feed-in Credits as provided by us (less any applicable fees and charges) to the Referral Agent or their Nominated Party.
10. The Solar-PV system requires a live connection to the electricity grid to operate correctly. Where the Solar-PV System is not available, shutdown or deactivated for any period of time, you may not receive any Feed in Credits.
11. We are a licensed electricity retailer. You can contact the Referral Agent (CUB) regarding any issue relating to the supply of beer under the VB Solar Exchange. If you have not paid your Diamond Energy bill, in full, by its Due Date, any beer you have earned for that quarter may be held over, meaning you may not receive emails containing your slab redemption barcodes until a following quarter.
